## Our mission is to invest in a sustainable future for Indigenous communities.

We believe Indigenous Peoples are critical partners and stakeholders within Australian society and our mission at Wirrpanda Supplies is to invest in a sustainable future for Indigenous communities.

David Wirrpanda is an accomplished and well-known former AFL player with 13 years of top level footy under his belt. Throughout his playing career, David was known for his hard work, passion and dedication. Since retiring from professional football, David has directed his energy into the Wirrpanda Foundation with the aim to support Indigenous communities.

David's goal is to improve the quality of life for Aboriginal and Torres Strait Islander people and build sustainable communities. In the process, he has become a respected Indigenous leader and mentor.

David identified an opportunity to close the loop between the education and training provided by the Foundation and employment opportunities for Indigenous youth.

As such, Wirrpanda Supplies was established as a joint-venture between David and Chemform, a 40-year-old family owned Australian company that manufactures and supplies cleaning products around the country.

The intention is to utilise the Foundation and create a direct pathway for young people to complete their training and transition directly into employment.

As majority owner and Managing Director, David Wirrpanda has three critical business pillars to help achieve his mission. These include:

David Wirrpanda | Managing Director

### WIRRPANDA FOUNDATION

Wirrpanda Supplies contributes 3% of all sales profits to the Wirrpanda Foundation.

The Wirrpanda Foundation aims to improve the quality of life for Aboriginal and Torres Strait Islander people across four pillars of education, employment, justice and sport.

### COMMUNITY SUPPORT

David Wirrpanda and Wirrpanda Supplies work closely with Indigenous communities to empower and build capacity amongst Indigenous individuals and their families.

We recognise that Indigenous Peoples often experience special connections to and identification with, lands and waters and these are tied to their physical, spiritual and cultural well-being.

We understand that taking care of the earth is everyone's responsibility and as such is a high priority for our business. To achieve this goal, we have formulated our WIRRA GREEN range of products. The WIRRA GREEN range of products deliver performance, quality and safety, as well as environmental sustainability.

We have developed a vast range of products to ensure you maintain a safe, healthy and hygienic environment at your school. The core product ranges outlined within this catalogue include:

**Hand Hygiene**

**Cleaner Disinfectants**

**General Cleaners/  
Detergents**

**Kitchen/Canteen**

**Washroom**

**Laundry/Linen**

**Specialised  
Products**

**Consumables, Sundries,  
Personal Protective  
Equipment (PPE)**

We offer a range of services to promote safety, hygiene and assist with driving efficiencies.

## Wirra Online Safety Induction

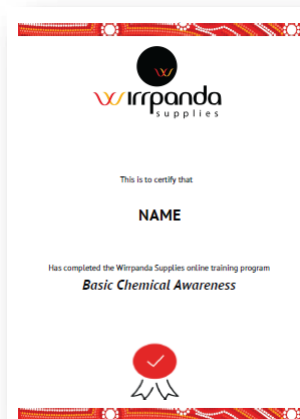

The Wirrpanda Supplies safety training course has been developed to ensure our customers understand how to identify and handle hazardous substances.

Visit [www.wirrpandasupplies.com.au/training](http://www.wirrpandasupplies.com.au/training)

The course has been designed to provide competency in the following areas:

- Determine whether a chemical is hazardous or dangerous.
- Determine the personal protective equipment necessary for handling a given chemical.
- Identify health and hazard information.
- Know the location of Safety Data and Product Information Sheets at your site.
- Understand the general rules for using chemicals.
- Know the basic first aid procedures for chemical contact.
- Know how to manage and clean up a chemical spill.

Once the final question has been submitted, a report and certificate are automatically generated. Both can be downloaded and/or printed. Also, a report will be sent to the email address entered during registration.

*Products featuring the Wirra Green logo are part of our stringent Green range.*

## Hand Hygiene

### HAND SANITISERS

**PURE SKINCARE FOAM ALCOHOL-FREE HAND SANITISER**  
Dispensing options required - wall mounted or foam pump pack.

FOAM

# Multifunctional Skin Care Dispensers

Our robust and attractive high capacity dispenser is perfect for any workplace. Skin care products are stored in large 1 litre soft pods that are designed to easily fit the dispenser. The pod quickly clips into place allowing for efficient refill. Our multifunctional dispenser can be used for 1L Prefilled Hygienic Soft Pods, Bulk Foam Refill Soft Pods and Bulk Liquid Soft Pods. Available in white and silver.

## Easy-to-use and multifunctional

**Refillable and recyclable empty foam or liquid pump bottles available for hand care products.**

## Cleaner Disinfectants

### 2-IN-1 QUATERNARY AMMONIUM BASED CLEANER & DISINFECTANTS

#### WIRRA DISINFECTANT CLEANER #2

2-in-1 cleaner & powerful disinfectant for all hard surfaces. Spray & wipe, mop & bucket. Pleasant citrus fragrance. Dispensing options available.

Size
2 x 5L

#### REVIVE

2-in-1 cleaner & disinfectant for all hard surfaces. Spray & wipe, mop & bucket. Pleasant lemon fragrance. Dispensing options available.

Size
2 x 5L
20L

#### PINEAWAY

2-in-1 cleaner & disinfectant for all hard surfaces. Spray & wipe, mop & bucket. Pleasant pine fragrance. Dispensing options available.

Size
2 x 5L
20L

#### SAPPHIRE 8 READY TO USE (RTU)

Ready to use cleaner, sanitiser & deodoriser for hard surfaces.

Size
6 x 750mL

### 2-IN-1 CHLORINE CLEANER & DISINFECTANT

#### HEAVY DUTY CHLOR DISINFECTANT

A 2-in-1 hospital grade chlorinated cleaner and sanitiser designed to deliver powerful disinfection. Heavy Duty Cleaner will achieve hospital grade disinfection in a single step by providing a detergent and disinfectant in the one product.

Size
2 x 5L

### ALCOHOL SURFACE SANITISER

#### ALCOHOL 70% SURFACE SANITISER

Alcohol based surface disinfectant spray. Designed to deliver powerful disinfection. Available in 20L with accompanying 750mL labelled spray bottle.

Size
20L

## General Cleaners/Detergents

### GENERAL SPRAY & WIPE, MOP & BUCKET

#### WIRRA ALL PURPOSE #1

Multipurpose neutral cleaner. Spray & wipe, mop & bucket. Pleasant fragrance. Dispensing options available.

Size
2 x 5L

### GLASS & WINDOW CLEANER

#### WIRRA GLASS CLEANER #4

An effective glass, window and chrome cleaner that leaves all surfaces bright and shining clean. Dispensing options available.

Size
2 x 5L

## Kitchen/Canteen

### MANUAL DISHWASHING

#### DISHBRITE

Eco-friendly manual dishwashing liquid.

Size
2 x 5L
20L

#### ORANGE DETERGENT #11

Eco-friendly dishwashing liquid designed to emulsify oil soils quickly on all surfaces.

Size
6 x 750mL
2 x 5L
20L

### MULTIPURPOSE CLEANERS/DEGREASERS (FLOORS, WALLS & BENCHES)

#### HARD SURFACE CLEANER #15

A multipurpose cleaner of outstanding performance, providing excellent economy and versatility to its users. It safely and quickly removes soils off hard surfaces.

Size
2 x 5L
20L

#### HD CLEANER #10

Powerful Multipurpose Bio-Active Cleaner. The unique combination of surfactants and bio-active agents has created a 3-way action combination of cleaning. The surfactant provides immediate cleaning while the bacteria breaks down embedded residual grease and dirt over time.

Size
2 x 5L

### OVEN & GRILL CLEANER

#### OVEN & GRILL CLEANER

Oven, fryer, grill and hot plate cleaner.

Size
2 x 5L
20L

#### NON CAUSTIC OVEN CLEANER

Non caustic, eco-friendly oven, fryer, grill and hot plate cleaner. Does not contain caustic products, solvents or other volatile compounds.

Size
2 x 5L

### NO RINSE SANITISING

#### NO RINSE SANITISER #9

High Performance No Rinse Sanitiser. Ideal for sanitising kitchen benches etc.

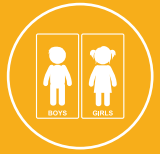

Size
6 x 750mL
2 x 5L
20L

## Washroom

### WASHROOM CLEANER

#### WIRRA WASHROOM #3

Multipurpose washroom cleaner. Washroom #3 can be used in all wet areas on floors, walls, benches, bathrooms, toilets, glass and stainless steel areas. This environmentally preferred product is derived from plant based renewable resources with mild acids to remove water scale. Dispensing options available.

Size

2 x 5L

### TOILET BOWL CLEANER

#### SHIFT

Toilet and urinal cleaner (phosphoric acid). SHIFT is an extremely effective, complete maintenance treatment for toilet, shower and washroom. Removes smells at the sources and leaves areas clean and fresh smelling. The acids in SHIFT do not harm stainless steel.

Size

2 x 5L

### ODOUR & STAIN DIGESTER

#### ODOUR & STAIN REMOVER

Enzyme based deodoriser, cleaner and stain remover. A multipurpose product that is ideal for a range of hard & soft surfaces including toilets, washrooms, carpets, upholstery, mattresses, tiles, grout, pavement, fabrics, cotton & linen. Excellent for destroying the bacteria, removing bad odours including urine, vomit, pet and cigarette.

URINE REMOVER

Size

2 x 5L

### SMELLY URINAL TROUGHS (WATER OR WATERLESS)

#### CAGED BIO BLOCKS

Caged urinal blocks with pro-active bacteria technology to eliminate odours. Suitable for use in all types of water & waterless urinals, stainless steel, porcelain and ceramic troughs. BioBlocks strains of bacteria colonise the urinal pipes and degrade the body solids, calcium and urine crystals, keeping pipes clear and free of odours.

Leaves washrooms with a fresh, long-lasting fragrance.

Size

1 tub (20 cages)

### 2-IN-1 CLEANER & DISINFECTANT

#### WIRRA DISINFECTANT CLEANER #2

##### Powerful multipurpose cleaner & disinfectant

2-in-1 Cleaner & Powerful Disinfectant for all hard surfaces. Spray & wipe, mop & bucket. Pleasant citrus fragrance. Dispensing options available.

Size

2 x 5L

## Laundry/Linen

### ECONOMICAL LAUNDRY POWDER

#### LAUNDRETTE

Economical laundry powder with a delightful lemon fragrance.

Size

10kg

25kg

### LAUNDRY POWDER & DISINFECTANT

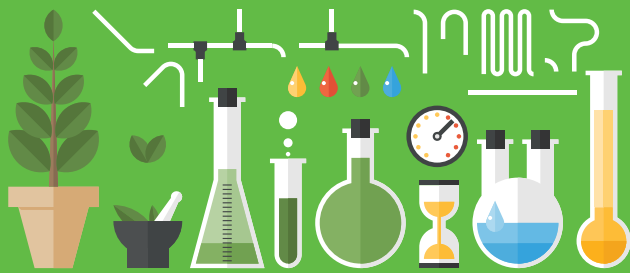

#### ENVIROCARE

One shot laundry concentrate powder. Meets the performance criteria of AS/NZS 4146:200 for chemical disinfection in laundries, even at temperatures as low as 20°C.

Size

10kg

## Specialised Products

### CREAM CLEANSER

#### MAGNUM

Magnum is an all-purpose cream cleanser containing a mild abrasive which can be used in kitchens, bathrooms and housekeeping areas.

Magnum may be used safely for cleaning stainless steel, aluminium, enamel, porcelain, plastic and painted surfaces.

Size
6 x 750mL
2 x 5L

### POWERFUL AIR FRESHENER

#### ODORBAN PLUS

Odour neutraliser and air freshener. Works immediately to kill bacteria that cause bad odours. Safe to use on all surfaces including fabrics, carpets, etc. Suitable for use in toilets/ablutions, garbage disposal areas, rubbish bins, drains, animal houses etc.

Size
6 x 750mL

### ODOUR NEUTRALISER & DISINFECTANT

#### ODORSAFE

Surface disinfectant and odour neutraliser. Conventional deodorants or masking agents are used to disguise odours by "blanketing" them with a fragrance. Odorsafe is totally new technology which actually destroys or neutralises. Odorsafe is suitable for use in toilets, washrooms, food and garbage disposal areas, rubbish bins, drains, animal houses and other areas that require disinfection and where odours are a problem.

SMELLY BINS

Size
2 x 5L

### GENERAL AIR FRESHENER

#### AIR FRESHENER

Odour neutraliser & air freshener with warm vanilla and coconut fragrance.

This non-toxic eco-friendly product is for all areas that require freshening.

Size
2 x 5L

### DRAIN CLEANER

#### NEOZYME

Bioactive fat, oil and grease treatment ideal for smelly drains. Cost effective solution that can be used to degrade a variety of fats, oils, greases and complex protein based solid and liquid wastes.

Eliminates the cause of the odour rather than simply masking odours. Eliminates solid build ups, blockages and downstream transfer of fats, oil and grease.

SMELLY DRAINS

Size
2 x 5L

### CHLORINE DISINFECTANT

#### CHLOR CLEAN

Hospital Grade 2-in-1 Cleaner Disinfectant - tablets. Outbreak control. Dispensing options available.

Size
100 tablets/tub
200 tablets/tub

### BLEACH TO CLEAN & SANITISE

#### DESTAINER #13

Thickened bleach - removes dirt, mould, stains and kills germs. Combines in a single product, a cleaner and chlorine disinfectant. Surfaces treated with De-Stainer 13 are left clean and germ free.

Excellent cleaning properties enable De-Stainer 13 to cut through difficult soils and stains, particularly effective in removing unsightly fungus and mould.

Size
6 x 750mL
2 x 5L
20L

### STAINLESS STEEL POLISH

#### SSP

Stainless steel polish. Oil based, SSP provides a very efficient one-step method for polishing and protecting stainless steel surfaces.

As SSP leaves an invisible protective film on surfaces, it repels fingerprints and reduces the need for frequent cleaning.

Leaves a shiny gloss long after application.

Size
2 x 5L

## TILE & GROUT CLEANER

### WIRRA TILE & GROUT CLEANER # 15

Ceramic, concrete & quarry tile cleaner. A powerful formulation that penetrates and cleans the toughest soils. This product contains water softening and degreasing properties to leave surfaces sparkling clean.

Ideal for restoring tiles, grout and concrete, making them look new again.

Size

2 x 5L

## GRAFFITI REMOVER

### WIRRA HEAVY DUTY GRAFFITI REMOVER #14

Removes spray paint and permanent ink from hard surfaces. Viscous gel adheres to surfaces allowing more contact time for better results. Ideal for a range of surfaces. Non-flammable, non-corrosive.

Low odour, fast acting, removes all graffiti quickly and effectively.

Size

2 x 5L

## CAR, BUS & TRUCK WASH

### WIRRA TRUCK WASH #9

Universal vehicle wash. General purpose detergent, high foaming and concentrated formulation. Readily biodegradable, non-phosphate and quick breaking formulation.

A "free-rinsing" formulation.

Size

20L

## SOIL WETTING AGENT

### SUPERWET

Long term soil wetting agent. Easily soluble in water. It does not settle out and cannot result in over-dosing or under dosing.

A concentrated product containing 90% active material. Passed as a Category 1 soil wetting agent by the Department of Agriculture.

ATTENTION  
GROUNDS-  
KEEPER

Size

2 x 5L

## GREASE, GLUE, INK, CHEWING GUM, STAIN REMOVER

### GREASE GRABBER

Ready to use grease & stain remover.

Effective on a wide range of stains, including perspiration, oil, food stains, grass, ink, bitumen, adhesives, glues, carbon, chewing gum & acrylic paints. Safe to use on most carpets to remove stubborn stains, can be used on wool, silk, cottons, synthetics and blends.

REMOVES  
CHEWING  
GUM

Size

6 x 750mL

Before | After

## CARPARK CLEANER/DEGREASER

### WIRRA MULTICLEAN DEGREASER #11

Multipurpose cleaner & degreaser. Excellent cleaner and degreaser, for removing grease and grime off carparks, concrete and hard surfaces. Leaves metal surfaces bright and clean and will not tarnish aluminium. Low foaming product.

Safe to use on all surfaces. Readily biodegradable.

Size

2 x 5L
